National Diabetes Audit:

helping to improve diabetes care

This GP practice is taking part in an important national project about diabetes care and treatment in the NHS. The project is called the National Diabetes Audit (NDA).

To take part, your GP practice will share **anonymous** information about your diabetes care and treatment with the NDA. The type of information, and how it is shared, is controlled by law and enforced by strict rules of confidentiality and security.

Taking part in the NDA shows that this GP practice is committed to improving care for people with diabetes.

Important Patient Information

If you do not want your information to be used, please inform the receptionist, your GP or nurse. This will not affect your care.

More information is available – please ask a member of staff for a leaflet.
