Sandy Lane Surgery

Friends and Family Test Results March 2019

90%

of patients who responded to the survey would be either **extremely likely** or **likely** to recommend your practice to friends and family if they needed similar care or treatment.

Thank you for participating in this survey.

The results will help us to provide the best possible service to you.

Please note: Pie graph percentages may not add up to 100% due to rounding. The sum of the 'Extremely likely' and 'Likely' percentages in the pie graph may not equal the value displayed due to rounding.
